Your Christmas craft starts here

01

Print your favourites

Print pages 2-11 on US Letter paper (8.5 x 11 in), single-sided. Choose Actual Size or 100% to preserve the designed size.

02

Make them your own

Colour on the full sheet, then cut around the outside outline. Leave the inside details intact. Add cardstock backing for a sturdier ornament.

03

Add a little ribbon

Tape both ends of a ribbon loop to the back. Grown-ups can help with cutting and attaching the hanger.
