NIKKI'S PLATE

GINGERBREAD HOUSE

1 OF 6 / FRONT WALL

Colour first. Cut around the outside, keeping every tab attached.

1 inch / 2.54 cm

Keep the door, windows and candy details attached. Only the outside edge is cut.

Fold all four tabs inward. Match lettered wall tabs to the side-wall letters.

Tape the four walls together first; leave the sloping roof tabs free for now.

CUT OUTSIDE EDGE

FOLD TABS INWARD

Print all 6 pages at 100% / Actual Size. Single-sided. No borderless scaling.

NIKKI'S PLATE

GINGERBREAD HOUSE

5 OF 6 / ROOF PANEL 1

Cut out one roof panel from this page. The second panel is on the other roof page.

1 inch / 2.54 cm

Place the two RIDGE edges together and tape along the join on the inside.
Fold at the taped ridge. Centre the roof over the walls with a small overhang.
Tape the roof onto the four sloping roof tabs. The bottom of the house stays open.
