JUST LIKE WILDFLOWERS.
WE THRIVE WHERE WE BELONG.

A photograph of two young girls walking away from the camera in a field. They are both wearing white dresses with a delicate floral pattern and brown cowboy boots. They are holding hands, and the girl on the right is also holding her other hand. The field is filled with green grass and yellow wildflowers, with a line of trees in the background under a cloudy sky.

*Slow living isn't about determining how little we can live with
it's about working out what we simply can't live without.*

CHICKENS MAY NOT SOLVE ALL YOUR PROBLEMS...
BUT THEY'LL CERTAINLY MAKE YOU SMILE
WHILE YOU FIGURE THEM OUT.

**"Nature does not hurry,
Yet everything is accomplished."**

A wide-angle photograph of a farm at sunset. In the foreground, a dark wooden fence with three horizontal rails runs across the frame. Beyond the fence is a lush green field. In the background, a large barn with a dark roof is visible on the left, surrounded by trees. The sky is filled with soft, colorful clouds in shades of orange, pink, and purple, with the sun low on the horizon. The overall mood is peaceful and serene.

the only vibe i need

A rustic outdoor scene featuring a wooden fence in the background, a woven basket on the ground, and a patterned blanket draped over a wooden post in the foreground. The scene is set in a field of tall grass, and the lighting is warm and golden, suggesting late afternoon or early morning. The overall mood is peaceful and nostalgic.
